

To the Reader: 52 weeks of devotion is a yearlong journey into the heart of God thru the word of God allowing you to learn of him, his thoughts and his ways and enjoy fellowship with him through weekly meditations. You will have the opportunity to capture moments, feeling and thoughts on a daily basis. Through the passages and pictures of his creations, you will experience the magnitude of his majesty and dominion, allowing it to encourage your heart to know him and experience the peace that passes all understanding even in the midst of the trials that come with living in the earth and being the righteousness of God. In knowing the Lord in the fellowship of his sufferings you experience and see his glory through supernatural experiences in our natural everyday lives. Develop daily intimate time with him on a daily and weekly basis, and receive his saving, healing and delivering power, learn of him and his ways, that you will possess the wisdom that is revealed by dwelling in the mind of Christ. Because in him we have our very being, and with him and thru him we can do all things to live the victorious abundant life that he has promised us as his children.
