

Angels Breath is an unconventional vampire tale. It embraces elements of architecture, religion, and romance. A year shy of graduation, Brean finds himself on a new university campus. Transferring at his uncle's request, he plans out his promising future. Brean is grateful for his uncle's sponsorship and determined to develop his academic skills to the best of his abilities. In the process of proving his worth, Brean encounters a slave-driving professor and an enchanting young woman. The two open a door to his obscured ancestry and set him on a course, in which he has to reconsider his plans and the use of his talents. Pulled in various directions, the choice is still his to make. It will require all his strength, sacrifice and the devotion of those he loves.
