About Cowboys Inside.. With this 40 page book the kurious kid is going to take young readers on a fantastic adventure with that great icon of bravery and loyalty the cowboy in these pages. The young reader is going to be taken along a dusty trail on a cattle drive with the kurious kid as the trail boss. The young buckaroos will learn all about the Cowboys equipment like a saddle, his boots is horse and his lariat or lasso (the rope for catching cows) it will run about all the jobs that the cowboy did and still does today from building fences (so the cows cant run a way) and giving the cows medicine. So they dont get sick, and marking them (branding). So that they can be told apart from the cows that belong to another ranch, the kurious kid will turn any budding buckaroo into a full-fledged cowboy by the end of the book and the young cowpokes will have all their questions answered about what it actually means to be a cowboy. The book is divided into easy to find chapters with full-color photos that show everything from the cowboyâ€™s horse to his boots and chaps and his famous hat, which protects his face from the sun and head from the rain and within each chapter is a series of trivia questions that the cowpokes can use to test their cowboy wisdom. They will spend hours reading and rereading the pages soaking up every aspect of the cowboy life, and imagining themselves riding the open range would be curious kid by their side. So whether you have cowboys and your family or whether youre young reader is just interested in the mythology and history of the cowboy. Or you are just trying to give them a wider perspective on some unique jobs that have been done and are still being done around the world. The kurious kid and his book about cowboys will provide entertainment and education as well as inspiration reading about free-spirited cowboys may inspire your young cowpokes to follow their dreams. You will never be disappointed with any of the curious kid educational series books they are expressly designed to make the information, easily digestible for growing young minds, and the pictures help them by providing visual aids so that they can better comprehend what they are reading, and the trivia questions simply help to make reading more fun. And if reading is fun is more than likely that your young reader will continue to develop a love and passion for reading. That will serve them well as they grow older. The kurious kid will become a trusted companion on many adventures for years to come, whether it is running about cowboys or Cowboys or dogs. The curious kid will always be able to help them answer any of their scientific or historical questions so instead of hearing why or how come. You will hear guess what I learned or guess what the curious kid taught me today.
