

This book is a guide for women to improve their dating and experiences with men. It combines principles from clinical psychology as well as from practical experience to help women have successful, safe interactions with men. It has been tested on a group of college women who found it helpful and interesting. William Oâ€™Donohue, Ph.D. is a licensed clinical psychologist and Professor of Psychology at the University of Nevada, Reno. He has published 70 books and over 150 journal articles. He is a local psychotherapist and also directs a free clinic for the assessment and treatment of children who have been physically or sexually abused and women who have been sexually assaulted.
