

This book (Divine Fulfillment Institute Bulletin) is the twenty-third (23rd) book that has been published by the author over a five year period. At age 55, the author realized that he had accomplished a lot during his lifetime in every area of his life. He realized that he had an obligation to package his experiences in a teachable manner and share them with future generations. He set out to establish Divine Fulfillment and share those experiences in the form of workshops, seminars, short courses, and mentoring sessions. Over the last seven years, the author expanded his consciousness endlessly and saw his words, thoughts, ideas, imaginations, beliefs, desires, aspirations, emotions, intentions, and concepts manifest along the lines of his conscious thoughts. As his consciousness expanded and the manifestations appeared, he acquired new powers and possibilities. This is how God works with him in the Universe. This is how God can work with you in the Universe. God is impartial. What God has done for others, He will do the same for you. The goal of this Bulletin is to describe the workshops, seminars, short courses, and mentoring experiences that will be offered through Divine Fulfillment Institute (a school without walls). The Institute travels wherever the author travels. The author is the Institute. He gives himself totally and unselfishly to all people throughout the Universe. God is ALL there is! And so it is!
