

How safe are we? Is the United States of America Finished as a first world country? Is the US Constitution and the Rule of Law still being followed in a way that benefits Americans? Is the Quest for money, power and personal security stronger than the desire to help our neighbor? This books primary goal is to educate you on the root causes of the social and political strife in our country, and to offer personal, professional and technical solutions and strategies when implemented properly will empower you as an individual to reclaim America. More than a how to book, it is learning about and preserving our nation, Us Constitution and the laws of this country. Part of what makes this country great starts with three important words...We the People. It is our responsibility as a free and informed society to do what it takes to fight for liberty, justice and freedom. Significant research shows there are three types of Americans: apathetic, concerned, and responsible. Which are you? If you want to understand how our system works and how you can be an active part of it, then this book is for you.
