

Carolyn G. Heilbrun's groundbreaking essay *The Character of Hamlet's Mother* was published in 1957 at a time when few critics thought seriously about women's issues in literature. In the years since, Heilbrun has emerged as a feminist leader through her commitment to women's writing and feminist literary critique. Now in a new paperback edition with a new preface by the author, this collection explores feminism in literary studies during the last three decades. By questioning the gender arrangements of society, Heilbrun has helped to transform them. Taken together, these graceful essays demonstrate the consistency and clarity of Heilbrun's vision and her deep respect for the lives of women who write.

Authentic Pursuit: Building a Church from Nothing, Practical Approaches to Risk Minimisation for Medicinal Products: Report of CIOMS Working Group IX (A CIOMS Publication), Organisation du travail (French Edition), Mein Glaubens-Lexikon (German Edition), Is Sunday School Destroying Our Kids?: How Moralism Suffocates Grace, Yoga and Nutrition, Hutchison's Elementary and Intermediate Algebra (Hutchison Series in Mathematics), Das renale Kallikrein-Kinin-System (German Edition), Islands in China: Bk. 1: Steps to the Bed of God,
