

The essays included here are the best sellers of American economic history, the articles and chapters that most frequently appear on the syllabi of American economic history courses. Introductions add context, provide critical questions about the arguments and evidence, indicate important subsequent works, and suggest additional readings. Also included are a glossary and an appendix that provide a clear, simple introduction to regression analysis, necessary for reading the increasingly technical cliometric articles in the field.

The Wild Body: A Soldier of Humour, and Other Stories, Treasure of Green Knowe, Once Around the Block, Ary Scheffer, MODERN GENETICS, Vampire Hunter D., Tome 1 (French Edition),
