

If you want to learn all about the hippie movement and what true hippie culture is all about, then this book is for you! Read on your PC, Mac, smart phone, tablet, or Kindle device. No one can tell you how to be a hippie. That would be very unhippie-like. It's not about growing out your hair, wearing bright colorful clothing, listening to 60s music, getting stoned, being a vegetarian, or living in a commune. Being a hippie means having certain ideals and pursuing them actively. So in a way, it can be said that hippies have always been around at all times and in all places. If you want to pattern yourself after the 60s hippies, however, then start by embracing their core values: peace, love, the environment, and the beyond. This short ebook will provide you with a concise and colorful overview of the hippie culture and the history of the hippie movement. And by the end of it, you'll have a pretty clear picture of the hippie already inside of you. Here Is A Preview Of What Youll Learn...The History of the Hippie MovementThe Summer of LoveOpposing the Establishment in Favor of PeaceConcern for the EnvironmentThe Use of HallucinogensTune In, Turn On, Drop OutHippies TodayMuch, much more!Download Your Copy Today!
