

James I has traditionally been portrayed as a foolish and unpleasant man. However, the last two decades have seen a rehabilitation of James I by historians, who have begun to appreciate that in some areas, in particular foreign policy and religion, he pursued sensible policies and achieved a considerable degree of success. Christopher Durston deals with the personality and political ability of the monarch, the court, finance, parliament, foreign policy and religion, including his record in Scotland and the legacies of Elizabeth I. The arguments of the revisionist historians concerning James's relations with his parliaments are examined in detail, as well as the recent `postrevisionist backlash.

Sketch Book, Abraham (Mount Rushmore Presidential Series), Mujer, mujeres y bioetica (Spanish Edition), Running a Thousand Miles for Freedom (Brown Thrasher Books), Medea, The Art of Communication: Improving Your Fundamental Communication Skills, All Cats Go to Heaven, Planung: Betriebswirtschaft fur soziale Einrichtungen (German Edition), Gel Candles: 40 Creative Projects, Air Power History: Turning Points from Kitty Hawk to Kosovo (Studies in Air Power),
