

Kids DO come with an instruction manualâ€™their astrological chart. Momstrology is the complete guide to understanding how both you and your little one are guided by the stars, and how your charts play a factor in how you relate to each other. Identical twin sisters Ophira and Tali Edut, professional astrologers known as the AstroTwins, offer a modern look at astrology and parenting, and combine the two into a guide to understanding yourself, your parenting strengths and weaknesses, your little ones personality, and how you and your child can best relate to each other. Thoughtful, informative and fun, Momstrology covers every possible mom/child sign combination, and includes valuable information for dads and caregivers too.
