

Darlene Panzera returns with a sweet new Western series perfect for fans of Debbie Macomber's heartwarming romances. Bree Collins has finally come home to Fox Creek, Montana, to manage her family's guest ranch. She knows she can handle any challenges that come her way, but when the infuriating Ryan Tanner reappears in her life, Bree suddenly has doubts about her ability to stay professional—and away from the handsome cowboy. Ryan Tanner is in a bind. He needs to train a young foal for the upcoming show but his mother would rather bite his hand off. Just his luck the cute cowgirl from his past arrives back in town. Bree just so happens to have a reputation for taming animals of this nature. Ryan is willing to make a deal with her, but he has no intention of being swayed by her sweet smile or the tenderness she shows his young son. Yet when fate brings them together, falling for one another becomes the easiest thing in the world. Ryan might just want to wrangle this cowgirl's heart—but will Bree give him the chance?
