

This collection of 20 stimulating circular walks chosen specifically for dog walkers explores Norfolk's beautiful coast and countryside. The walks vary in length from 2 to 5 miles and each one includes a map and clear numbered route directions. The walks are mainly off-road giving as many opportunities as possible for dogs to exercise and explore in safety. A special Dog Factors box at the start of each walk details any road walking, stiles or grazing livestock and the author has also listed dog-friendly pubs, cafes and a nearby vet for each walk. Norfolk is a wonderful county for dog walking and the walks in this book have been carefully selected to make the most of it. They include the dunes at Holme next the Sea; salt marshes at Salthouse; woodland packed with adventure and scents in Thetford Forest and by Felbrigg Hall; looking out for otters by the River Wensum at Fakenham; and strolling through the Royal country park of Sandringham.
