

The One World Almanac is a practical appointments diary that features a diverse and eclectic collection of world photography, giving a unique insight into the lives of others. The robust cover folds out to create a stand that displays a landscape photograph for each week while leaving the diary page flat to write on. It folds away neatly for easy portability. The One World Almanac also includes a Peters equal-area world map, charts of basic indicators for every country of the world, a year planner, and information on the dates and festivals noted in the diary pages.
