

Videoville is an unusual town where many movies are made, but not all of the animals who live there are friendly. Take Mr. Rockhopper, for example. He can be one angry penguin. Skidder, probably the fastest penguin in the West, can be relied on to be careless, but his small friend Pudden can amaze you. As for Skidder's sister, Trendy Wendy, she often sets the fashion for the younger members of the town. Also meet the Hatopotamus, Buster Gutter, the stunt bear, Mewsli, the cat detective, Myrtle Turtle, and many more surprisingly talented animals... We must not ignore the humans either. Is Slim, the cowboy, to blame for the Umbrella War? Only you can decide, and lastly don't forget to read about the Parapenguins...
