

Combining home decor industry techniques and standards with the inspiration and creativity of professional designers Pam Damour and Katie Bartz, Pillow Talk provides today's sewer with new sewing tips, projects and instruction on how to personalize each project. With a CD-ROM included in the inside front cover, Pillow Talk takes full advantage of technology with a disc packed with embroidery designs ready for transfer to your sewing machine. Pillow Talk starts with a primer on machine sewing, covering all of the basics including making continuous bias, welting and zipper insertion. The projects cover a wide variety of pillow types and functions with clear instructions and full-color step-by-step photos of the techniques, patterns and designs.
