

Lets face it - getting real flesh and blood girls to put up with uncomfortable positions and too-tight ropes can get annoying, expensive, and in some States - arresting! But when all youre using is a Number 2 pencil and some truly inspired cunning, nobody gets hurt and everyone has a fun time! At least thats the MO that new bondage artist Steve O. Reno uses when sketching out his nefarious scenes of erotic discomfort - or what he likes to term as Sensual Distress. His ladies are cute, well-endowed, and built Cord-Tough. Sure its just lines on paper, but what Mister Reno does with some graphite and clean sheet of paper - its truly a thing of beauty! Kink is cool when Steve hits town, and this first collection of his works is bound to keep you begging for more!
