

An unexpected death, a job loss, a bad doctors report, a wayward child—Now what? What do you do in situations like these? Who do you turn to? Can anyone fix the issue? Can anyone turn back the hands of time? Do you just accept defeat and mope around for the rest of your life? Do struggles ever really end? If theres such a loving God, why does He even allow people to suffer? Several, if not all, of these questions have maybe once or twice popped inside of your head. But-unfortunately, theres many who replay these same questions over and over in their minds every single day. Where do the hurting and suffering turn to? Its not medicine. Its not drugs. Its not even family. Be still and know Im God (Psalms 46:10). Thats what He said to me. In this degenerative world we live in, we continuously face trials and disappointments. Its hard to even understand why a loving God would even allow us to have such devastating experiences. In Storm, King OBryan reveals how he found the most loving, understanding, ever-present, compassionate God, Friend, Savior and Lord of the Storm. In his book, he reveals 39 inspirations he received during a storm that changed his life forever. These inspirations are designed to encourage and uplift you.
