

The Writers Handbook 2003 has been completely revised, updated and enlarged. It contains over 5500 entries covering every area of creative writing. In addition to the key areas of UK and US book publishers and agents, magazines, screenwriting, TV and radio, theatre, film and video, and poetry, new features for the 2003 edition include: an enlarged and extended US section, plus special feature on how to crack the American market; e-books and the future of hard print; how to get into travel writing; how newspaper serializations work; diary of an aspirant writer, Part 2; Peter Finch on poetry; and Gareth Shannon on contracts.
